

HEAVY DUTY GREASE

(IPOL AUTO GREASE HD)

Description:

IPOL AUTO GREASE - HD is premium quality tailor-made grease having high viscosity base oils and synergistic additive package for giving enhanced performance levels.

IPOL AUTO GREASE - HD has excellent shear stable soap structure which prevents softening and leakage of grease under heavy loads and high temperatures.

Salient Features:

- Highly resistant to water washout, rust corrosion and oxidation.

Application:

- *IPOL AUTO GREASE - HD* is recommended for greasing wheel bearings of Trucks, Buses, LCV, Earth moving equipments etc. This grease can also be used for general application in all types of automobiles giving cost benefits to users, round the year.

Benefits:

- It helps to bring down the inventory, because of multiple application.
- Highly water resistant and anti-oxidant.
- Improves overall economy of the operation.

Product Data

Typical Results: IPOL AUTO GREASE - HD

Characteristics	Test Methods	Results
Colour	Visual	Light Yellow
Texture	Feel	Smooth Buttery
Base	-	Lithium
Drop Point °C	ASTM D 566	185
Worked Penetration 60 double stroke at 25°C	ASTM D 217	240 - 260
Prolong worked penetration difference after 1,00,000 strokes units Max.	ASTM D 217	25
Copper Strip Test at 100°C/24 hrs. max.	ASTM D 4048	1
4 Ball EP Weld Load Kg. Min.	ASTM D 2783	200
